Will you please arrange to have four dozen, long-stemmed yellow roses delivered to Ambassador and Mrs. Roy Rubottom on their arrival, with a card enclosed as follows:

"Welcome to Argentina. The good wishes of the Board and Members of the Texas State Society are always with you in your new assignment.

Mrs. Charles Pearre Cabell
President"

We're advised they will be arriving on 14 October, and Mrs. Cabell would appreciate very much having the flowers delivered on that date. She specifically asked for yellow roses, these having special significance to Texans.

Please let us know the amount of the bill and/will forward you a check promptly.

Many thanks for your help in this matter.
